Team Eko Support Services have won the maiden Corporate Golf Challenge organised by Concierge Sports. The event was held on March 7.

The team comprising Seni Edu, Tunji Adebayo, Remi Edu and Peter Eben-Spiff garnered 84 points at the Lakowe Lakes Golf and Country Estate in Lagos to emerge champions.

The 18-hole stable ford scoring team event had Team Tata Motors finishing in second place with 78 points. Team Tata had Sanya Akindele, Winston Strasser, Remi Olukoya and Frank Momoh.

Finishing in third place was Team Smooth FM 98.1 who had Dapo Akande, Tim

Ayomike, Leke Akinsanya and Mummuney Dagazau. They also shot 78 points but were beaten by Team Tata Motors on count back.

Kayode Oguntayo of Concierge Sports said the inaugural edition of the event was a huge success.

"I don't think it will be fair to judge any team by their overall performance at the event. The primary aim was to create the platform for the players to connect, relax and have fun which I believe was achieved," he said.

Oguntayo added that Concierge Sports were also committed to raising the awareness of Benola Cerebral Palsy Initiative, Down Syndrome Foundation Nigeria, Golden Hearts and Sponsor-A-Child NGOs.

He said, "We are committed to using this medium to assist causes in the society and by participating, each corporate participant has committed by extension."

Some teams that competed at the event were Total E&P, Deepwater 1&2, Mandilas, Old Mutual, SAB Miller (Castle), Stanbic IBTC, Media Reach OMD, First Bank, MacTay Consulting, Sonar Tusk, Seabulk Offshore,
