The management of Concierge Sports Limited has announced that approximately 100 players have confirmed readiness to swing their clubs at the maiden edition of The Concierge Sports Corporate Golf Challenge taking place at Lakowe Lakes Golf & Country Estate this weekend.

The event, which is billed for Saturday, March 7, 2015, has interest drawn from corporate Nigeria.

"We have quite a number of interests among the local golf fraternity," observed an Executive of Concierge Sports, Kayode Oguntayo, adding that his company's aim is to use the event to strengthen the ties the game of golf has with corporate Nigeria.

"With the support of VeuveClicquot Champagne, as a headline sponsor and hospitality host, the event is essentially created as a PLATFORM for the corporate world to latch on to and tap into the huge potentials that the game of golf and its immediate community presents."

As part of Corporate Social Responsibility, Concierge Sports is also raising the awareness of the following causes: Benola Cerebral Palsy Initiative, Down Syndrome Foundation Nigeria, Golden Hearts and Sponsor a Child NGOs. Monetary donations will also be presented to each charitable cause.

The event according to organisers is a team event; where four players representing a corporate organisation would be hoping to outscore other teams with same representation.

According to Oguntayo, "we have 20 teams duly confirmed for the one day event now; we are expecting more teams to confirm their entry before it closes.

"Lakowe Lakes Golf Club is the newest addition to the Lagos golf scene and based on its Championship course design, it's one of the most challenging golf facilities in the country."

The Corporate Challenge is scheduled to tee-off by 8:30am.

Some of the companies that have entered teams at the event include; First Bank, Old Mutual, Total E&P Deepwater, Stanbic IBTC, Mandilas, Tata, and Huawei among others.

The event would be rounded off with an award gala luncheon where the participants will be entertained and presentations made at the club house.
